

Space Camp Participation and Commitment Contract

Please read the following carefully before signing. To be a part of our Space Camp Team you and your family will have to make several commitments to the program:

- ☐ To apply for and to stay in the program, the student must have and maintain a grade of 2.8 or better in all of your classes including both content and habits of work.
- ☐ As a representative of FMS, you're expected to model exemplary behavior and leadership qualities that reflect positively on both yourself and our school community.
- ☐ If accepted into the program, the you (the student) will be required to stay after school (typically 2 times a month) to attend regular after-school meetings that will prepare you for the Expedition.
- ☐ You must understand that this is an educational trip to learn about aviation and space, as well as other interesting topics including geology, paleontology, history, and geography. Students are expected to participate in all trip activities and be prepared to complete any alternate assignments for the week of school time you will miss while in Alabama.
- ☐ The trip is not funded through Freeport Middle School or through RSU 5. *Past trips have cost between \$1300-\$1800 per person before fundraising is applied.* Payments for the trip can be made in 4 installments due in November, January, March and May.
- ☐ Participating students are encouraged to fundraise personally to help pay for their own trip.
- ☐ Students are required to share their learning and experiences with the FMS community upon return to Maine.

Signatures indicate that both the student and parent/guardian have read the application and understand the commitment involved in this program.
