

Location

The F2F will happen in the Intel Jones Farm JF5 Building in the Executive Business Center located at :

**2111 NE 25th Ave
Jones Farm 5 (JF5)
Hillsboro, OR 97124**

Car : To park your car there are designated parking spots labeled “Executive Briefing Center” next to Jones Farm 5 building entrance. Park your car, check in at the Executive Briefing Center (see below) and get a parking pass that you can display on your windshield. You can also print your pass [here](#) before you get to the F2F. Here is a little map with the parking spots :

Public transportation : If you stay downtown Portland you can reach the campus using the Max Light Rail System (<https://trimet.org/max/>). It's a 40 minutes ride to get to the Intel campus. The stop to get to the Jones Farm campus is Fair Complex/Hillsboro Airport. Then you can take the shuttle from the station to the campus. See below the drop off of the shuttle. The shuttle leaves the Max Station usually couple of minutes after the Max train arrives. Look for an unmarked white shuttle with the Jones Farm tag on the windshield.

If you plan to get to the place with Uber/Lyft, just input Intel Jones Farm JF5 and the driver will drop you at the right place. If you arrive with the shuttle please walk outside to get to JF5 building. You won't be able to walk inside the buildings.

When entering look for the Executive Business Center which is located on the right after the doors. It is **before** the security, do not check in with the security just head into the Executive Business Center where we can check-in you in.
