Dear Business Owner,

The South Fremont High School Athletic program is starting a business advertising campaign. We would like to advertise your business at our athletic facility.Your $600 donation will get your business a 3x5 banner with your business logo printed for one sport season during the school year. If you would like to have your banner displayed for two sports seasons the cost is $1000 and if you would like it displayed during all three sports seasons the cost is $1250. We will recognize your business on our social media sites that reach over 1000 people with each post. We would also recognize your business during all home events during that sports season. We would love to announce your business and thank you for your support of South Fremont High School Athletics during our home games and matches. If you donate for all three seasons you will also receive a season pass for you and one guest so you can come and support the teams. We will advertise your business banner for the fall sports season at either the football or soccer field, during the winter sports season  the banners will be displayed in the gym and in the spring we will put up your banner at the baseball field, softball field, or track.
This campaign is different from the Education Foundation sports calendar that I know many of you already support. We appreciate your support in all that you do for our community and our schools. Please respond to the questions below and let us know how you would like to support our programs.

Please fill out the back side of this letter and return it to South Fremont High School 855 N Bridge St., St. Anthony, ID 83445 or email it to chadh@sd215.net or we can come to you and pick it up.
