Bloodless Medicine & Surgery Society
Virtual Annual Meeting
November 4-6, 2026
Theme: *The Urgent Need to Implement Bloodless Medicine!*

Abstract Submission Guidelines

Abstracts are welcome from a diverse multidisciplinary group of professionals. Structured abstracts related to the conference theme are preferred.

- Please prepare your abstract in English, typed into Abstract Submission Form using a word processor with a maximum of 250 words for the main abstract.
- Type the title of the abstract in sentence-case bold letters.
- Include authors' first & last names and institution(s). Underline the name of the presenting author.
- The abstract should contain a concise statement of the study purpose ("Introduction"), followed by sections headed "Methods", "Results" and "Conclusions".
- Please ensure that your abstract does not contain any error in spelling, grammar, or scientific fact.
- Indicate abstract track.
- Send your abstract as a Word document to info@bmssociety.org by the **extended deadline** of **September 15, 2026**.

Confirmation of abstract acceptance (or otherwise) will be sent to the email address provided by the corresponding author by September 30, 2026.

Abstract Tracks

Abstracts should preferably be submitted within the following tracks:

- Newer technologies and innovations
- Education in Bloodless Medicine & Surgery
- Iron therapy and erythropoiesis stimulation
- Perioperative bloodless surgery techniques

- Ethics & Consent
- Outcomes of bloodless care
