**Parent Access to Canvas:**

To access your student's Canvas course you will need an access code provided by your student's or the teacher of the course. The following are instructions to set up a Canvas parent account.

To access online:
1. Go to https://placer.instructure.com/login/canvas **from a Computer or Chromebook. This cannot be done from the Canvas App. This first step is required before using the App.**
2. Click the "Need a Canvas Account?" in the top right corner to create an account. Then click the **"parents sign up here"** and fill in the requested information. You will need to use the access code to be connected to your student's canvas course. Once successfully connected you will be able to observe student work and grades.

To access Canvas via the app:
1. You must set up an account online first. (see above)
2. Search for the canvas parent app in the IOS or Android app store.

3. Download the parent canvas app.
4. Once you have downloaded the app you can log into your account to view your student's course. For each device it will look a bit different. When you enter the app it will ask for you to find your school. Search for Placer Union HS District.

5. Use the email and password created online to log into your account as a parent.
