

Dreamcoin Privacy Policy

Introduction

Dreamcoin LLC ("we," "our," or "us") is committed to protecting the privacy of our users. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our Dreamcoin Telegram App (the "App").

Purpose of the Privacy Policy

This Privacy Policy is designed to help you understand:

- What information we collect about you
- How we use the information we collect
- How we store and protect your information
- Your rights regarding your personal information

We encourage you to read this Privacy Policy carefully. By using the App, you agree to the collection and use of information in accordance with this policy.

Brief Description of the Dreamcoin Telegram App

The Dreamcoin Telegram App is a gaming platform that combines elements of chance-based gameplay and village-building mechanics. Users can earn virtual rewards through various activities, including:

- Spinning a wheel of fortune
- Completing tasks and achievements
- Building and upgrading virtual villages
- Inviting friends

The App features a unique gameplay experience where users progress through levels, earn rewards, and participate in various in-app activities. It also incorporates Web3 technology, providing each user with a self-custodial wallet for managing their earned rewards.

Our commitment to your privacy is paramount as you enjoy the engaging and rewarding experience of the Dreamcoin Telegram App.

Information We Collect

To provide you with the best possible experience and to ensure the proper functioning of the Dreamcoin Telegram App, we collect certain information. We are committed to collecting

only the minimum amount of data necessary to operate our services effectively. Here's an overview of the information we collect:

1. Public Information from Telegram Profile
 - Your Telegram username
 - Your profile picture
 - Any other publicly available information on your Telegram profile
2. In-Game Information
 - Virtual rewards earned
 - Number of referrals
 - Completed tasks and achievements
 - Session time and frequency of app usage
 - Level progression and village development
 - Other basic features and gameplay statistics
3. Language and Geographical Location
 - Your preferred language setting
 - Your general geographical location (country or region)
4. Web3 Wallet Information
 - Public key of your self-custodial wallet

We adhere to the principle of data minimization. This means we make efforts to limit the collection of personal data to what is directly relevant and necessary for the purpose of providing and improving our App's functionality.

It's important to understand that we do not store any data beyond what is listed above. We do not have access to your private Telegram messages, contacts, or any information not explicitly mentioned in this section.

How We Use Your Information

At Dreamcoin LLC, we are committed to using your information responsibly and only for purposes that enhance your experience with the Dreamcoin Telegram App. Here's how we use the information we collect:

1. Core Functionality
 - Managing your account and progress
 - Providing and tracking rewards
 - Facilitating interactions with other users (e.g., referrals)
 - Ensuring the proper operation of game features
2. Analytics
 - Analyzing gameplay data to balance and enhance game mechanics
 - Monitoring app performance and identifying areas for improvement
 - Understanding user behavior patterns to optimize features and user interface
 - Evaluating the effectiveness of different tasks and rewards
 - Detecting and preventing potential fraud or misuse of the App
3. Communication
 - Respond to your inquiries or support requests
 - Send important updates about the App or your account

- Provide you with news about new features or promotions (where permitted by law)
- 4. Web3 Functionality
 - Associating your public wallet key with your account for reward distribution
 - Facilitating future airdrop distributions (when implemented)

We want to assure you that:

- We do not sell your personal information to third parties
- We do not use your information for purposes other than those described in this Privacy Policy without your consent
- We implement appropriate technical and organizational measures to protect your information

Data Storage and Security

At Dreamcoin LLC, we take the security and privacy of your data seriously. We implement robust measures to protect your information and ensure it's used only for the purposes outlined in this Privacy Policy.

Limitations on Data Storage

We adhere to strict data storage limitations:

- **Minimal Data Collection:** We only collect and store data that is essential for the operation of the Dreamcoin Telegram App.
- **No Sensitive Data:** We do not collect or store sensitive personal information such as financial details, government-issued IDs, or precise location data.
- **Data Retention:** We retain your data only for as long as necessary to provide our services and comply with legal obligations.
- **Third-Party Limitations:** We do not sell your data to third parties or allow them to access your personal information unless required for specific App functionalities.

Security Measures

We implement various security measures to protect your data:

- **Encryption:** All data transmitted between your device and our servers is encrypted using industry-standard protocols.
- **Secure Infrastructure:** Our servers are hosted in secure data centers with strict access controls and monitoring.
- **Access Controls:** Only authorized personnel have access to user data, and this access is logged and regularly audited.
- **Regular Security Audits:** We conduct regular security assessments and penetration tests to identify and address potential vulnerabilities.
- **Data Anonymization:** Where possible, we anonymize data used for analytics to protect individual user privacy.

- Incident Response Plan: We have a comprehensive plan in place to respond quickly to any potential data breaches or security incidents.
- Employee Training: Our team undergoes regular training on data protection and security best practices.

User Responsibilities

While we take extensive measures to protect your data, the security of your account also depends on you:

- Keep your Telegram account secure, as it's linked to your Dreamcoin App account.
- Do not share your account credentials or Web3 wallet seed phrase with anyone.
- Be cautious when accessing the App from public or shared devices.

Compliance with Regulations

We comply with applicable data protection regulations and are committed to adapting our practices as these regulations evolve.

Web3 Wallet

The Dreamcoin Telegram App incorporates Web3 technology, providing each user with a self-custodial wallet. This section explains the nature of this wallet and your responsibilities regarding its use.

Self-Custodial Nature of the Wallet

- Definition: A self-custodial wallet means that you, the user, have full control and responsibility over your digital assets.
- Ownership: The wallet associated with your Dreamcoin Telegram App account is solely owned and controlled by you.
- Access: We do not have access to your wallet or the ability to conduct transactions on your behalf.
- Independence: Your wallet exists independently of Dreamcoin LLC. Even if our services were to become unavailable, you would still have access to your wallet and its contents through the seed phrase.

User Responsibility for Seed Phrase

The seed phrase is a crucial component of your Web3 wallet:

- What is a Seed Phrase: A seed phrase (also known as a recovery phrase or mnemonic) is a series of words that gives you access to your wallet and its contents.
- User Responsibility: You are solely responsible for the safekeeping of your seed phrase.

- Importance: If you lose your seed phrase, you may permanently lose access to your wallet and any assets it contains. Neither Dreamcoin LLC nor anyone else can recover your seed phrase for you.

Our Non-Storage of Seed Phrases

To ensure the security and true self-custodial nature of your wallet:

- No Storage: Dreamcoin LLC does not store, have access to, or have any way to recover your seed phrase.
- No Backups: We do not keep any backups of your seed phrase.
- No Transmission: Your seed phrase is generated locally on your device and is never transmitted to our servers.
- Limited Assistance: Due to this policy, we cannot assist in recovering lost seed phrases or accessing wallets if you lose your seed phrase.

Sharing of Information

At Dreamcoin LLC, we are committed to protecting your privacy and maintaining the confidentiality of your personal information. This section outlines the limited circumstances under which we may share your data and how we do so.

When We Might Share User Data

We do not sell, trade, or rent your personal information to third parties. However, there are certain situations where we may share your data:

- Service Providers
- Legal Requirements
- Protection of Rights
- Business Transfers
- With Your Consent

How We Share User Data

When we do share your information, we do so with caution and under strict conditions:

- Data Minimization
- Contractual Obligations
- Anonymization
- Security Measures
- Transparency

User Rights and Choices

At Dreamcoin LLC, we respect your right to control your personal information. Depending on your location and applicable laws, you may have the following rights:

- Right to Access
- Right to Rectification
- Right to Erasure
- Right to Restrict Processing
- Right to Data Portability
- Right to Object
- Right to Withdraw Consent

To exercise any of these rights, please contact us at support@dreamcoin.ai.

Changes to This Privacy Policy

We reserve the right to modify this Privacy Policy at any time. Any changes will be effective immediately upon posting the updated Privacy Policy on the App. Your continued use of the App after any such changes constitutes your acceptance of the new Privacy Policy.

Contact Us

If you have any questions about this Privacy Policy, please contact us at support@dreamcoin.ai.
