

How to Access the Tech Dashboard:

1. Sign up for a GitHub account. [<https://github.com/>]
2. Then attempt a login on our Tech Dashboard [onfarmtech.org]
 - For security it will default to “No Access”
3. Then contact Sarah [saseehav@ncsu.edu] with your GitHub account email address and she will assign you the correct state affiliation.
4. To access most Tech Dashboard features, **turn off the ad /popup blocker from your browser.**
5. We recommend using the browsers Chrome or Firefox

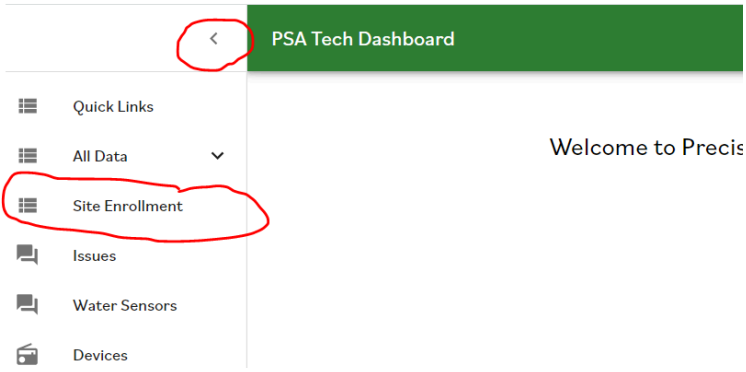

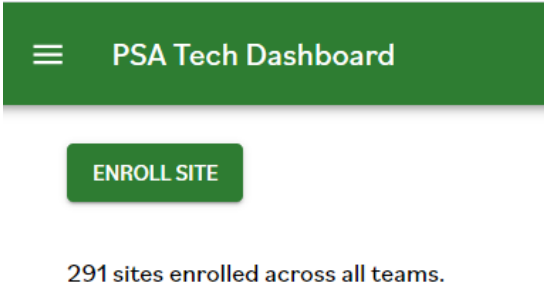

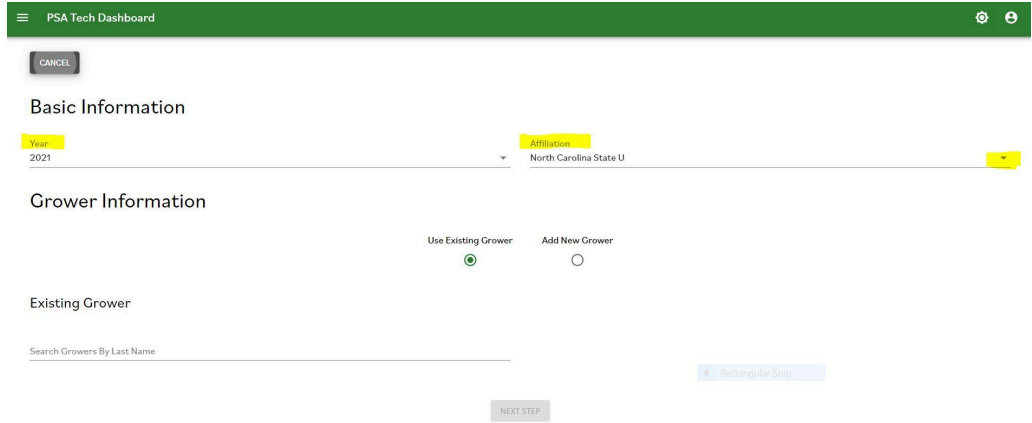

Steps To Enroll a Site Direct Link to Site Enrollment [<https://onfarmtech.org/site-enroll>]

1. **Go to the PSA Website Team Portal [<https://precisionsustainableag.org/internal/>]** (password: psa) Use the Left Side Menu to Navigate to Teams> On Farm. Click on “Tech Dashboard” Icon.

The screenshot shows the 'On-Farm Network' website. On the left is a navigation menu with items: Home, Project Overview, Contact Information, Annual Meetings, Teams (highlighted with a red circle), PSA Protocols, Publications, and PSA Calendar. The main content area has a blue header with the title 'On-Farm Network'. Below the title are two buttons: 'Tech Dashboard' (circled in red) and 'Protocols and Data Collection'. The page content below the header includes the heading 'Same Protocols, Many Farms' and a paragraph describing the network's history and goals, accompanied by a photograph of corn plants.

2. **In the Tech Dashboard [onfarmtech.org] use the left menu to navigate to > “Site Enrollment”**

	
3. Click Enroll Site (You will do this each year, for each site, regardless of if a grower participated previously.)	
	
4. Select cash crop year (ie: if the cover crop was planted in fall 2020, select 2021) and Affiliation (your University or Organization)	
	
5. Either Select “Add New Grower” and fill their Last Name, email, phone	

How To Access Tech Dashboard and Enroll a PSA Site

The screenshot shows the 'PSA Tech Dashboard' header. Below it is the 'Grower Information' section with two radio buttons: 'Use Existing Grower' (unselected) and 'Add New Grower' (selected). Under 'Add New Grower', there is a 'New Grower' section with input fields for 'Last Name', 'Email', 'Phone', and 'University'. At the bottom of this section are a 'SAVE' button and a 'NEXT STEP' button.

When all the information has been filled correctly, Select “Next Step”.

6. OR Check to see if your Grower has been previously enrolled by Selecting “Use Existing Grower” and Search their last name.

The screenshot shows the 'PSA Tech Dashboard' header. Below it is the 'Grower Information' section with two radio buttons: 'Use Existing Grower' (selected, indicated by a red arrow) and 'Add New Grower' (unselected). Under 'Use Existing Grower', there is a search bar labeled 'Search Growers By Last Name' with the text 'Knd' entered. Below the search bar is a card for 'Knowles' with the following details: Producer ID: 2017NC003, Email: matthewknowles1995@gmail.com, and Phone: 9103858667. At the bottom of the card is a 'SHOW SITES' button and a green button with a checkmark and the text 'SELECTED'. At the bottom right of the dashboard is a green 'NEXT STEP' button, which is circled in red.

7. After Next Step has been selected and drop down menu will appear at the bottom. Select the number of sites/ trials that the grower will host on their farm.
