

Pokémon Mystery Dungeon Red And Blue Rescue Team Lombre Voice

Lombre: Huh? That scene there? Jumpluff's begging for a rescue mission, but not finding any luck. See that guy? There, the one in the middle with the pointy nose. He's a Pokémon named Shiftry. He's got his own rescue team. But his team's greedy. They don't work unless they get paid royally. Jumpluff's been begging for help. But... I feel sorry for that poor Pokémon.

Lombre: What? You don't know?! It's Alakazam's team! They're the most famous rescue team around these parts.

Lombre: That's Charizard. His Flamethrower can melt mountains! That's Tyranitar. He takes great pride on his armored body and amazing strength. And that's the leader, Alakazam. Alakazam doesn't like physical attacks. He fight with his psychic powers. He's endowed with an amazing brain and an IQ of 5.000. Apparently, he's memorized everything that's happened in the world. Alakazam does all the commanding in the team. He's clearly in charge.

Lombre: Wah! What's wrong?

Lombre: Whew! That was scary! Sheesh!

Lombre: Yeah, I'm kind of shocked.

Lombre: Well, you know the Nietakes legend? That old story?

Lombre: What, you don't know? You know, it's old fairy tale. How you'll get cursed if you ever grab one of Ninetales's tails.

Lombre: If you want to know more about the Ninetales legend. You should go see a Pokémon named Whiscash. He knows the story well. Whiscash is uh... you know, in his pond. You should visit him if you want to know more.

Lombre: Shocking stuff?

Lombre: Wait a second... that's exactly like the Ninetales legend!

Lombre: Wh-what?

Lombre: Th-that's true!

Lombre: Wha... What?! It... it can't be!

Lombre: Vierlon, forgive me!

Lombre: That's easy for you to say... It's too much for us...

Lombre: You're so full of big talk! What about your team, Gengar? You just hang around in the square and don't do a thing. Walk the talk. You guys go.

Lombre: Tch! Just appointed yourself that...

Lombre: Wh-what?!

Lombre: I've heard enough too! I believe Vierlon!

Lombre: OK, I'll read it aloud. Let's see... "Vierlon Innocent! Vierlon met with Ninetales under the watchful eye of Alakazam... ...And proved that it had nothing to do with the human in the legend. As a result, Gengar's claims were found to be malicious lies."

Lombre: You rotten...

Lombre: Hey!

Lombre: We need you at the square! Everyone's gathering there.

Lombre: I'm not really sure... Shiftry's calling everyone out. He's getting the other rescue teams to come.

Lombre: Looks like they sent out to a lot of rescue teams for help. I've seen some pretty famous leaders from faraway places. That Shiftry... I wonder what he's planning to do with all these rescue teams?

Lombre: Don't bother, you guys.

Lombre: You guys have gotten a lot tougher, that's for sure, but... There's plenty of tougher Pokémon out there.

Lombre: See? They look pretty tough, eh? Let them handle things.

Lombre: Hey, Tailwood. W-well... ..You should just go see for yourself...

Lombre: Is Vierlon's team almost here?

Lombre: Let's go!

Lombre: Huh? What was that? I thought I heard something just for a moment... did I just imagine it?

Lombre: Awesome, you're alive! You really had all of us worried!

Lombre: Whoa, hold on there! Don't you point those things at me! Face the other way! The other way!

Lombre: Y-you've gotta be kidding me!

Lombre: What, you're serious?! Nooooo! Don't!

Lombre: You're right... just upped and went like that... Why now? Why when the world's been saved? Just when things were going to get better... Sob...

Lombre: Huh? What's that? ...Oh, you mean what happened at sea? I wasn't drowning! Sheesh, they're making up stories about me! Want to know what really happened?

Lombre: Tch! Fine, then! Humph!

Lombre: See, I went out to the sea to frolic a while back. You know? I was trying that Dive thing. So, I was having fun going underwater... And I got washed out to sea a bit. All of a sudden, these wicked clouds rolled in... And before I knew it, there was a full-blown storm raging! There's more! A dungeon appeared in the sea! I was shocked witless! I got out of there fast! But who'd've guessed it? A gungeon in a stormy sea!

Lombre: Huh? You want to know more about that dungeon in the sea? I vamoosed it out of there, so I can't tell you much... I know! Maybe whiscash would know something. Yeah, that'd be best. Go talk to whiscash.

Lombre: Never seen it before. It's not from around these parts.

Lombre: What, there's someone besides Rayquaza?

Lombre: Well, sheesh, Rayquaza destroyed a star!

Lombre: Who else but Rayquaza would be able to do that?

Lombre: Hey, you came along at the right time. We're having a little argument about who the most powerful Pokémon happens to be. Vierlon, what do you think? Who do you think is the most powerful Pokémon?

Lombre: Oh, yeah? Vierlon, you think so too? Yeah, you bet it is! Rayquaza is the toughest!

Lombre: ...

Lombre: ...Well, uh... I know you want to become tougher, but...

Lombre: A Pokémon... made for fighting?

Lombre: Charizard... And Blastoise...

Lombre: They're hurt bad... what exactly happened?!

Lombre: Wh-what did you say?!

Lombre: Ch-Charizard! Are you OK?!

Lombre: ...Wow, it really exists... A Pokémon that tough... ...But, you know? So we now know that Pokémon is in the Western Cave... I still don't feel like going out there... Going anywhere like that'd be too scary by half!

Pokémon Super Mystery Dungeon Lombre Voice

Lombre: There you are! Mischief!

Lombre: So this is where you've been! You're the one who tramped all through my lotus pond, aren't you?!

Lombre: Oh! Old man Carracosta!

Lombre: I tried to get a decent look around, but it was no good. They're worked up!

Lombre: Yeah, that's right. Out in Nectar Meadow, they're starting on their annual... Huh? Aren't you-?

Lombre: What could have happened?

Lombre: Oh! Here's Mischief and Cobalt! What timing... Have you kids heard about Watchog?

Lombre: He says he was doing rounds of the school last night and doesn't remember a thing. Apparently he saw something so frightful that he fainted...

Lombre: Well, I guess it doesn't really matter that much anyway...

Lombre: Mr.Farfetch'd has gone missing, apparently...

Lombre: B-blue flames?!

Lombre: I don't even want to imagine it!

Lombre: But that doesn't mean that something terrible might not occur next time...

Lombre: I read all about it in the special edition. Apparently there has been a rash of incidents of Pokémon turning to stone!

Lombre: I suppose it's just affecting faraway places, like Lively Town.

Lombre: Er... You do remember that you're just a kid, right?

Lombre: What? You're gonna leave the village?! No way! There's absolutely no way you can make it out there! I mean, you guys are still just kids!

Lombre: "You've always been kind of a brat, Mischief. But I'm jealous of the way you're chasing your dreams." -Lombre-

Everyone: Cobalt! Mischief! Espurr! WELCOME HO-O-O-O-O-OME!

Lombre: You two have really grown up to be pretty fantastic. If I'm being perfectly frank, I'd had my doubts about you. I'm sorry for underestimating you all this time. And thank you.

Lombre: *sniffle* All right, everybody! Let's all hear it for Mischief and Cobalt!

Everyone: Hip, hip, hoo-raaaaaaaaay!!

Lombre: Come on! Don't leave us hanging now!

Everyone: Ha ha ha Ha ha ha Ha ha ha!!
