Digimon Story Cyber Sleuth: Complete Edition

Texto 1

Crow_11_

Oct 20, 2019

10

Amazing game, amazing design especially for the Digimons, you can play with more than 340 Digimons, maybe there's one negative that there's a lot of dialogues and it's boring sometimes but at the end it's one of best Digimon game [...].

9

I loved the story and game play. There were hours of enjoyment and entertainment with both games in the complete edition. There were times where I would have to look up where to go on a quest due to lack of detail/information given, but other than that the story was fantastic, the game was cute and charming with its graphics, and the characters all were unique and easy to like or dislike.

D Questão

Sobre o jogo "Digimon Story Cyber Sleuth", esses textos apresentam posicionamentos

- A) confusos.
- B) incoerentes.
- C) opostos.
- D) pessimistas.
- E) semelhantes.

D Questão

No Texto 1, no trecho "... **but** at the end it's one of best Digimon game...", o termo destacado foi usado para

- A) apontar conclusão.
- B) demonstrar adição.
- C) indicar alternância.
- D) marcar oposição.
- E) mostrar explicação.

D Questão

Leia o texto abaixo.

Run

When I was a young boy living in the city
All I did was run, run, run, run, run
Staring at the lights, they look so pretty
Mama said "Son, son, son, son, son
You're gonna grow up, you're gonna get old
All that glitters don't turn to gold
But until then just have your fun
Boy, run, run, run, run, run" [...]

Didn't get everything that I
wanted But I got what I need, yeah, yeah [...]

ONE REPUBLIC. Run. In: Genius. Disponível em: <https://genius.com/Onerepublic-run-lyrics>. Acesso em: 8 jul. 2022. Fragmento.

Nesse texto, nos versos "But until then just have your fun/Boy, run, run, run, run, run'...", o termo "run" foi usado para

- A) apontar uma ordem.
- B) expressar um desejo.
- C) fazer um convite.
- D) indicar uma solicitação.
- E) mostrar uma indignação

Fuzzy¹ and full of nutrients, peaches are a summertime staple²

Typically in season from July to September, peaches are a staple of summertime salads, meals and desserts. They're also a popular choice for nutritionists, who say their sweet taste makes it easier for people to add them to their diet.

"They're in season for a fairly short time, so enjoy them as a fruit choice when locally grown peaches are available," said Judith Wylie-Rosett, a professor [...] in the department of epidemiology and population health at New York's Albert Einstein College of Medicine.

Known for their golden orange color and delicate, fuzzy skin, peaches are packed with vitamin C and other antioxidants, which research suggests may help prevent heart disease [...]. The fresher and more ripe³ they are, the more antioxidants they contain.

They're low in fat, high in potassium and free of cholesterol and sodium. They also are loaded with fiber, both soluble and insoluble, which improves satiety and can contribute to good digestion and gut⁴ health.

Peaches work well when paired with any number of foods. They can be added to salads or served with a scoop of yogurt. Peaches also can add a surprisingly sweet taste to salsa, be blended into beverages like tea or smoothies, or even grilled [...] with other fresh fruit. [...]

***Vocabulário:**

¹fuzzy: felpudo.

²staple: principal material.

³ripe: maduros.

⁴gut: intestino.

‘Encanto’ Movie Review: A colourful celebration of black sheep

Based in the remote mountains of Columbia, each member of the Madrigal family has unique abilities – from superstrength to being able to speak to animals. Even their house has magical powers with its own personality. However, there’s one exception – Mirabel (voiced by Stephanie Beatriz) hasn’t been bestowed with a gift, although that doesn’t dampen her spirits. She’s still a happy young girl who does her part to keep things together, even if she stands out from the ‘superpowered’ family. But the Madrigals’ incredible lives begin to fall apart when Mirabel has a mysterious vision of the house cracking up, which spells disaster for them all.

Stephanie Beatriz is a revelation as the voice behind the lead character Mirabel, who certainly doesn’t look or dress like a typical Disney princess. Beatriz is exceptional with her honest and refreshing portrayal of a misfit girl on the verge of becoming an outcast because she’s so different. As Mirabel manoeuvres through the family’s colourful dynamics, she discovers her heritage along with hidden secrets. We’re treated to catchy tracks throughout the film by Lin-Manuel Miranda. The songs feature Mirabel’s quirky family members, each with their distinctive personality thanks to brilliant voice work from the cast. John Leguizamo is remarkable as the elusive uncle Bruno, a scene-stealer despite the character’s limited screen time. Maria Cecilia Botero is also memorable as the loving yet stern matriarch Abuela.

[...] This is Disney’s 60th animated motion picture and is undoubtedly one of their most enjoyable films with rewatch value. A clear contender for the animated film of the year, ‘Encanto’ is infused with enough humour, colourful visuals, charming characters, and catchy tunes to enthrall audiences of all ages.
