

Sailor Inu

TOS

- I have the right to decline a commission for any reason.
 - I will watermark my artwork, however this will not distract from the piece too much. I will not remove this.
 - Once the piece has been completed, I will not change the lineart unless it's something I did wrong, e.g missing an accessory or so.

 - I will only accept payment through paypal, please ensure it is sent as GBP.
 - Payment must be sent within 24h after I send a sketch. I won't start lining until I receive it.
 - I will not give out refunds if the piece has been completed. If you request a refund after I send a flat coloured WIP, I will give you 100% back. However, if I have nearly finished the piece you will only receive 50%. If I feel I will not be able to finish the commission I will refund you fully, but please be patient with me.
 - You do not have the right to distribute my work for profit.
 - If you share the art anywhere/ use it as an icon etc, please link back to me if you can.

 - Please give me a flat coloured reference sheet. Anything else may be difficult to work from and mistakes may be made. Though I will provide a flat coloured WIP to make sure everything looks okay.
 - I will NOT draw nsfw pieces.
 - The easiest subjects for me to draw are canines and ponies. Though I'd be happy to try a different species
-
