

Sample board/council meeting attendance request (to get volunteers to attend meetings with you)

This is a sample of an email that can be sent to persons living in a town that we sought a resolution – encouraging them to come to the Town Board meeting where we were petitioning to get our resolution passed. The names come from our statewide database of persons living in that town. You might follow up this email with a phone call, and encourage the town “champion” to go to the recipient’s homes to invite them – which is much more powerful than either email or a call. The initiating email could be sent a week before the Town meeting – longer before would be better because it is more likely the recipient’s schedules might be free.

Subj: *Help Reclaim our Republic at the **Readstown** Town Meeting **February xx, 2018 at x:00 p.m.***

Hello **Jennifer**:

You might recall being at an event and talking with a member of our statewide team working to reform our corrupt political system.

At that event, you decided to become a Supporter by giving your contact information on our Supporter form - saying you like what we are doing.

Well, we could sure use your help next **Monday (xxth) at x:00 p.m.** at the Town of **Readstown** meeting at the **address of the town hall, Readstown.**

Kent Galloway, who I am sending this email for, will be bringing to the Town Board our resolution calling for an amendment to reclaim our democracy.

Why should you consider attending:

- 1) You have shown you understand that our country is in trouble because of the corrupting influence of money in our politics - AND it needs to be fixed. You get this.
- 2) We have, with help from everyday citizens like you, convinced 160+ communities in WI to help build this movement by passing this resolution - and we need a lot more to send the message to our politicians.
- 3) We have found that the more town citizens that show up at the meeting to "petition" for our resolution to the board, the greater the chance that they will agree from the get go - increasing the likelihood of success.
- 4) You will know that your Town is on the list and feel proud of making it happen.
- 5) You can help with just a little bit of effort (attending the meeting) and get right back to your busy life - and feel good about what you did.
- 6) You will feel good again in the future when we have hundreds of communities who have passed the resolution, and when our state calls for the critical U.S. Constitutional Amendment -

I realize that I have not told you much about this important national movement. Please check out our WIUTA [website](#) and/or [Facebook](#) page. If you would like to learn more, I am always ready to discuss this, **the** core issue of our time. Just email or call me at the number below. I am just a busy citizen like you, but I'd love to talk to you about this critical effort-

If you would like to talk to **Kent** to get more information about the meeting and the movement in **Readstown**, please contact him at **920-602-4896** or kgalloway54971@yahoo.com.

I am committing my retirement years to this movement. Please help us out. We look forward to seeing you at the meeting!
