This is a fan translation of free content that is being translated with the author's permission. Although the author has declined monetary compensation, for those who are able, I suggest following her [Weibo](#) and supporting her [other works](#) on Changpei. That said,

PLEASE DO NOT REPOST THIS TRANSLATION IN ANY FORMAT

Additional Notes:

- Translator: [@leihuos](#)
- Export options are disabled; do not contact me about this, it's non-negotiable
- For those reading on mobile devices, footnotes are viewable in print layout
- I have an open retranslation policy for unmonetized human translations; I only ask that you link back
- I have an open feedback policy, but please keep in mind that most localization/wording choices were made through careful consideration; that said, you can send feedback to [@leihuos](#) via DM or [CuriousCat](#)
