OPTIONS

ABSEIL

- Slide 53m down the gorge on the end of a rope either facing the cliff face or looking down into the void. The hike out of the gorge is a steep slope, a person of average fitness can manage this in approximately 20 minutes.
- Slide 53m down the gorge on the end of a rope either facing the cliff face or looking down into the void. The hike out of the gorge is a steep slope, a person of average fitness can manage this in approximately 20 minutes.

GORGE SWING AND GORGE SWING TANDEM

- Fling yourself over the edge in a body harness, free falling 53m of the 97m drop and swinging right across the gorge and back until momentum runs out, and you are lowered to the ground. The hike out of the gorge is a steep slope, a person of average fitness can manage this in approximately 20 minutes. A tandem swing is also available

FLYING FOX

- Cable slide across the gorge high above the floor. Guests can sit on the 'chair' or be strapped, face down, looking at the ground far below, as you fly across the gorge. No walk out is necessary because you are pulled back.
