Fascination: 4 steps to make you confident around women

Hi Don Juan,

If your confidence with women isn't at the high you want it to be, here's some crucial steps you have to take to become the man who gets them all.

1. Approach A woman daily

You won't learn how to talk to women if you never approach them.

2. Ask yourself "what could I have done better?"

Learn from your interactions, doing so will teach you to learn for tomorrow.

3. Validate yourself

Physically pat yourself on the back. You just approached a beautiful woman, good job!

Finally the most crucial step that ties it all together is number 4.

Fascination: ...And she never responded again.

Hey Don Juan,

I've had women ghost me many times and today I'm going to make sure you don't make the same mistakes I did.

Back when I was alone and had no confidence with women I managed to land a date...

She was stunning as ever with curves and all...

But I made a crucial mistake.

This mistake cost me both her and my confidence...

I paid the bill.

I paid 100 DOLLARS to a woman I had just met, and expected her to care.

She didn't.

But why? You say, why would she lose interest over that.

Well I'll tell you why, in my new seminar
