

HVAC Career Tour

Thursday, April 6

HVAC is one of the top five in-demand careers in the state of Minnesota. Students considering this career can go through a two-year technical program, can go through an apprenticeship program with the Pipefitters union, or can go directly to work and through on-the-job training can learn about the industry. On April 6, students will see a variety of potential pathways to this lucrative career.

Schedule:

Depart from STEP at 8:00

Visit Minneapolis College

Visit Dunwoody College of Technology

Lunch (bring a bag lunch or money to purchase lunch)

Visit Auer Steel

Return to STEP at 1:45

** Students may either drive home or ride the shuttle bus back to their home high school.*

Turning in this permission slip does not guarantee you a spot on the trip. Space is limited, priority will be given in this order: Seniors with demonstrated interest, undecided seniors, juniors, sophomores and then freshmen.
