

Students' Demands for UVA Climate Strike 9/20

International

1. Establish clear plans for **implementing** the Paris Climate Agreement goals at the [UN Climate Action Summit](#).

National

1. Adopt a Green New Deal.
2. Achieve carbon-neutrality by 2035.
3. Declare a national emergency on climate change.
4. Incorporate compulsory education on climate change into grade school curriculums.

Regional

1. Stop construction of the [Mountain Valley](#) and [Atlantic Coast Pipelines](#).
2. Virginia must join the [Regional Greenhouse Gas Initiative](#).

University of Virginia

1. Achieve carbon-neutrality by 2035.
2. Immediately implement a freeze on any new investments in the top 200 publicly traded fossil fuel companies currently holding the vast majority of the world's proven coal, oil and gas reserves defined in the Carbon Underground 200TM list.
3. Publicly commit to divesting the University of Virginia endowment from any commingled funds that include fossil fuel public equities and corporate bonds and ensure the divestment of these funds within 5 years after the initial commitment.
