Links

Showing Link: Go to <<https://digitalpasts.github.io/openDANES/index.html>>{:target="_blank"}.

Link Embedded in text: Go to the [OpenDANES journal](https://digitalpasts.github.io/openDANES/index.html){:target="_blank"}.

Footnotes

This is a sentence with a footnote in the end.¹ This is another sentence with a footnote in the end.²

Tables

Heading 1	Heading 2	Heading 3
Value 1	Value 4	Value 7
Value 2	Value 5	Value 8
Value 3	Value 6	Value 9

Inline code and code blocks

This is ``inline code``.

This is a python codeblock:

```
```python
pip install cltk
```
```

For other programming languages, change ``python`` to the the appropriate language.

Figures and legends

When referencing an image, please only change the name and type of your image ("image-1.jpg" below):

¹ This is the footnote of the first sentence.

² This is the footnote of the second sentence.

![[Image placeholder]]({{site.baseurl}}/images/tutorials/{{page.title}}/image-1.jpg)

When adding a legend, please change only the content variable ("Figure 1: This is the logo of CLTK") below:

```
{% include fig_legend.html content="Figure 1: This is the logo of CLTK" %}
```
