Creating a TURNITIN.COM account

1. Go to Turnitin.com. If you already have an account, go to step 3.

2. Click on "Create Account" and follow the very user-friendly instructions to create a login and password. <u>This site will display your email address to me. Please use an email address that is appropriate for school</u>. Remember your password. <u>I do not have access to it</u>. If you forget it, you will have to create a whole new account and sign up for your class again.

3. Once your account has been created, log in, find your class period, and add it to your account using the information in the grid below:

Class	Class ID	Password
