

Lakeside Family Engagement Night!

When: Tuesday, October 5th, 5:45-7:00 pm

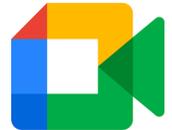

Where: Virtual, on Google Meet

Lakeside Families,

We are excited to connect with you for our first family engagement night of the year. While we wish this could be in person, we believe it will still be quite valuable to meet virtually and for you to hear more about our school and classrooms, and get you set for a successful year with parent sessions. Please see the plan below for Tuesday, October 5th.

If you do not yet have the Google Meet app on your phone, please download prior to Family Night. If you prefer a larger screen or a second device, you may use a personal computer or tablet with the Google Meet app. You will also need a Gmail account to log in before joining the Meet. (Directions to create a free gmail account are explained [here](#).)

Parents who wish to participate in the Canvas session(s) may want to download the Canvas Parent app ahead of time. The iOS app is at this [link](#) and the Google Play app is at this [link](#).

All Google Meet links for the events will be listed below on Friday, October 1st. In the event that you and your family are unable to attend this event, sessions will be recorded and sent out for you to view later. We hope your family will attend!

Sincerely,

Mrs. Ashton and the Lakeside Staff
