

Summers Farm - Job Opening [Flier](#)

Summers Farm is now accepting applications for Seasonal Festival Assistants. We will be open from August 23rd - October 31st. We are looking for energetic and outgoing students for weekend help and weekdays after school starting at 3:30pm. Superior customer service is our number one priority, and our staff are the key to making our festival the success it has become for over 29 years. We are seeking individuals who want to have fun while working outdoors and interacting with our visitors in a family environment. The festival includes a large variety of activities for children and families including a pumpkin patch, tractor rides, a huge corn maze, jumping pillows, games, farm animals, campfires, food and so much more. We have a variety of positions available (majority of them working with our customers) and offer flexible hours to work around sport and school schedules. We are looking for individuals 16 years and older. We will be scheduling interviews on July 12th and 19th. Filling out an application is easy, <https://summersfarm.com/pages/employment>. Please let me know if you have any questions. Thanks for your help with our staffing needs.
