Off-Site A+ Mentoring Log Sheet

An important element of any A+ candidate's mandates is completion of a minimum of 50 hours of unpaid tutoring and/or mentoring (up to 25% of which may be job shadowing). Because Saint Paul Lutheran High School is responsible for verifying all state mandates are met in the spirit and letter of the law, and we care for the safety and maximum benefit of our students, we require that all mentoring/tutoring needs to be approved prior to service. Some suggested examples of programs that meet the expectations of this program are participation as a Sunday School teacher, VBS Volunteer, or Jr Camp Counselor. This completed document must be turned in within 30 days of completing the Event/Activity.

Some excellent summer opportunities are available, but the following criteria must be applied:

- A+ Mentors may not receive any compensation for any portion of their service
- Only time where the A+ Mentor is in direct and active interaction with the mentee/s may be counted
- A+ Mentors are expected to demonstrate both responsibility and quality communication throughout the entire time of service
- As a member of Saint Paul Lutheran High School, the A+ Mentor is expected to consistently reflect the fruits of the spirit: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control
