ELA & Math Walkthroughs:

Discussed scheduling when to do Math & ELA Walkthroughs
Possibly during small group intervention
Lesson dependent, teachers choose when to have walkthroughs
Scheduling one day to visit all classrooms
Give a choice on what to come in to observe
Teachers are comfortable to have visits during intervention blocks
Visit both ELA and Math at same time if during intervention blocks
Vocabulary focus both in Math and ELA

Need to do 2 walkthroughs

- 1 Give teachers a choice
- 2 During core instruction

Iready testing begins in January either the 6th or 13th, awaiting on district approval
Do visits the week before testing begins on Tuesday, January 7th during intervention blocks
Testing to begin January 13th
