

ALL of the following SEVEN forms must be completed before your registration appointment can be made. Remember, once you start a form you must complete it. Your information will not be saved on the form until it is complete.

Once the electronic application is completed you will be called for a screening time by a teacher.

Completing an electronic application does not complete the registration process! You must call 270-674-4905 to schedule an in-person registration appointment. During the registration appointment, you will need to provide Proof of Income , Proof of Birth (Certified birth certificate preferred) , Social security card for the child you are enrolling and medical insurance card. Your child's application will remain incomplete without these turned in. You may also turn in Current Physical, Current Immunization record, eye exam and dental exams at this time.
