Announcements for Reading:

If you would like an extension activity to do with your student, you can have them identify the text features in the article, label them, and write down the purpose of each feature! This is just extra if you would like some additional work 😊 Students may also complete both Newsela articles if you wish!

Announcements for Math:

Homework this week will be a spiral review covering a multitude of standards to get students thinking hard about past skills they have learned! Please reach out to your teacher if you have any questions about the math skills, the SOLs, or the problems! Students will focus heavily on multiplication fluency.

In math this week, we will be learning about addition and subtraction. Please continue quizzing your students on their multiplication facts 😊

IMPORTANT DATES:

November 11th-No School

November 14th- Field Trip

November 20th-Thanksgiving Lunch at school

November 26-28th-Thanksgiving Break

REMINDERS:

Don't forget to wear tennis shoes on your P.E. day! Please also make sure you are sending a water bottle to school with your student to avoid so many trips to the water fountain throughout the day 😊.

Have a great week! Message with any questions please!
