INTRO:

Em G C D

Em G C

CHORUS 1:

Em G  
Once I was seven years old  
C  
my momma told me

D  
go make yourself some friends or you'll be  
lonely

Em G C  
once I was seven years old

VERSE 1:

Em D G  
It was a big big world  
C  
but we thought we were bigger

Pushing each other to the limits

D Em  
we were learning quicker

D G  
By eleven smoking herb  
C  
and drinking burning liquor

D  
Never rich so we were out to make that  
steady figure

CHORUS 2:

Em D G  
Once I was eleven years old  
C  
my daddy told me

D  
go get yourself a wife or you'll be lonely  
Em D G C  
Once I was eleven years old

VERSE 2:

Em D G  
I always have that dream  
C  
like my Daddy before me

So I started writing songs  
D Em

I started writing stories  
D G

Something about that glory  
C  
just always seemed to bore me

Cause only those I really love

D  
will ever really know me

CHORUS 3:

Em D G  
Once I was twenty years old  
C  
my story got told

D  
before the morning sun, when life was lonely

Em D G C  
Once I was twenty years old

VERSE 3:

Em D G  
I only see my goals  
C  
I don't believe in failure

Cause I know the smallest voices

D Em  
they can make it major

D G  
C  
I got my boys with me at least those in  
favor

and if we don't meet before I leave

D  
I hope I see you later

CHORUS 4:

Em D G  
Once I was twenty years old  
C  
my story got told

I was writing about everything

D  
I saw before me  
Em D G C  
Once I was twenty years old

CHORUS 5:

Em D G  
Soon we'll be 30 years old  
C

our songs have been sold

we've traveled around the world

D  
and we're still roaming  
Em D G C  
Soon we'll be 30 years old

## BRIDGE:

Em G  
 I'm still learning about life  
 C  
 my woman brought children for me  
  
 so I can sing them all my songs  
 D  
 and I can tell them stories  
 Em  
 Most of my boys are with me  
 G C  
 some are still out seeking glory  
  
 And some I had to leave behind  
 G/B  
 my brother, I'm still sorry

## CHORUS 6:

C D Em  
 Soon I'll be sixty years old  
 D  
 my daddy got sixty-one  
 G/B  
 remember life and then your life  
  
 becomes a better one  
 C  
 I made a man so happy  
 D Em  
 when I wrote a letter once  
 Bsus4 B  
 I hope my children come and visit  
  
 once or twice a month

## CHORUS 7:

C D Em  
 Soon I'll be sixty years old  
 D  
 will I think the world is cold  
 G/B  
 or will I have a lot of children who can  
 warm me  
 C D Em C  
 Soon I'll be sixty years old

## CHORUS 7:

Em D G  
 Soon I'll be sixty years old  
 C  
 will I think the world is cold  
  
 or will I have a lot of children

 who can warm me  
 Em D G C  
 Soon I'll be sixty years old
