- **Highlights/Planning/Updates**
 - District/Community Update - M. Bainter
 - Rough patch for the school district with tragic passing of students this year and the general unrest at the start of May. Renewed focus on mental health services that are offered by LHSD with Hopewell and making sure the services are well known to students, caregivers, and community.
 - Ohio University's ASCENT Initiative - was presented by Dr. Carissa Anderson
 - ASCENT is to position the Southeastern Appalachian region of Ohio to capitalize on emerging STEM opportunities. ASCENT Goals:
 - Integrate/enhance existing course offerings throughout region
 - Expand certificates to meet the workforce needs
 - Create new semiconductor engineering curricula
 - Build a model for geographically dispersed coalitions
 - Connect to state-wide efforts to maximize impact
