Important! Please Read Before Signing:

Thank you for supporting *The Owl*. We sell the yearbook for a loss each year; the funds from advertising sales are what allow us to sell the yearbook at an affordable price to students. The advertising staff pledges to produce a quality student advertisement. The buyer, in signing the ad contract, realizes the yearbook is planned, created and produced by students in grades 9 through 12 who are not professionals and are in a learning environment. Errors can and will occur. The buyer guarantees payment for the advertisement to accompany the signed contract, understanding that minor mistakes made by students do not warrant a complimentary ad, and payment will still be expected.

Publishing proofs are NOT available to the advertiser/buyer unless specifically requested at time of contract signing due to strict print deadlines. The ad staff asks that "one of a kind" photos not be submitted for ads until a copy has been made. Every effort is made to return pictures after delivery of books if they are clearly marked on the back with the name of the student.
