## How will event staff communicate weather, emergency & schedule changes to teams

## Any other relevant information specific to your tournament, if applicable (Facility specific weather policies)

## USA Ultimate Weather Policy (Facility may have their own policy)

You can find more details and information here: [Health, safety, and liability Requirements](#)

### For Lightning:

If you hear thunder OR your computer or app shows that lightning has struck within ten miles, suspend activity. If you do not have access to a computer or app that shows the proximity of lightning strikes, suspend play if lightning is seen even if you cannot hear thunder.

### For Extreme Heat and Cold:

Refer to [Medical Staff Requirements](#). When the Heat Index reaches 100 F ([see NOAA/National Weather Service Heat Index Chart](#)), play must be suspended. In colder temperatures and/or wetter conditions, it is important to be cognizant of conditions conducive to hypothermia.
