

Civil Emergencies Procedure

Health & Safety

NAG 5 Procedures

Rationale

The Tauranga Adventist School Board of Trustees is committed to providing a safe and caring environment for students and staff. Therefore, the School has developed procedures to respond to a number of different Civil Emergencies.

Purposes

To provide a safety plan for students and staff when dealing with civil emergencies.

Scope of civil emergencies

Civil Emergencies could include any of the following events:

1. [Earthquake](#) (Tsunami)
2. [Fire](#)
3. [Bomb Threat](#)
4. [Volcanic Eruption](#)
5. Lockdown (Armed Offenders Alert - this procedure is not made public)
6. [Advice For Other Hazards](#) (Storm, Flooding, High Winds, Chemical Spill)

Emergency Action Plan

Emergency Action Plans defines the actions required in an emergency situation affecting Tauranga Adventist School. To view these actions, click on the different emergencies.
