

Conventions

***Patterns of Power* by Jeff Anderson**

From the publisher: What if we took five minutes from the reading workshop and five minutes from the writing workshop to study how reading and writing connect in the conventions? A ten-minute daily dose of attention would create miraculous effects on students' understanding of how language works to create meaning, benefiting both reading and writing workshops directly. *Patterns of Power: Inviting Young Writers into the Conventions of Language* is here to show you how and give you all the support necessary in a full-color 455 pages of ready-to-use resources.
