Date of Incident: 08.03.2025

Time of Incident: 09:00 PM

Location: Dormitory (4 Sungei Kadut Avenue)

Reported By: Rakib Hasan / Safety Coordinator

Incident Type: Worker Injury

Injured Worker Name: Palanivel Pandiyan

Position: Electrical Supervisor

Incident Description:

At the time of the incident, the worker was in the process of shifting his dormitory to another dormitory to pack his items. While moving his personal belongings, a knife that was placed on top of a box accidentally dropped onto the worker's top side of his wrist. The knife struck the worker's wrist, causing a wound/injury.

Injury Details:

- **Type of Injury:** Wrist Injury
- **Location of Injury:** Top side of the wrist
- **Severity of Injury:** [Minor]
- **First Aid Administered:** Send Immediately to Woodlands health Hospital for first aid.

Witnesses: Balasamy Balamurgan

Immediate Actions Taken:

1. The worker was immediately assessed for any further injury.
2. First aid was administered to the injured area.
3. The knife and other personal items were safely secured to prevent further incidents.
4. The injured worker was escorted to the Woodlands Health Hospital facility for further evaluation and treatment, if necessary.

Cause of Incident:

The knife, which was carelessly placed on top of a box, became dislodged during the worker's shifting process, leading to the injury.

Corrective Actions:

- Ensure that all sharp objects, such as knives, are properly stored and secured during the shifting of personal items.
- Conduct a safety briefing with workers to emphasize the importance of securing hazardous tools or equipment during tasks.
- Review and improve safety protocols related to the handling and storage of items in the dormitory areas.
