Subject: The secret to passive income for content creators

Hey [Name],

As content creators, we're always chasing the next big piece. The viral post. The breakthrough video.

But what about all the content we've already made?

"Monetize Your Existing Content" flips the script on content creation. Instead of constantly producing new material, it shows you how to leverage what you've already created.

This comprehensive guide covers:

1. How to identify your most valuable existing content
2. Strategies for repurposing content into paid products
3. Choosing the right format for your audience
4. Adding value to justify the price tag
5. Effective marketing channels for your new products

The best part? Once you've done the work, these products can generate passive income for years to come.
