		<div><div><div>ANTI- COPY</div><div>Quite the Tumble</div><div><p>Diego couldn't wait to go on vacation with his dad. They had been planning the trip for months, finding a way to combine their two favorite hobbies: biking and camping. Diego and his dad spent the weeks leading up to their trip tuning up their mountain bikes, packing their backpacks, and patching their tent.</p><p>"Let's not forget to look at our First Aid kit!" said Diego's dad. Both Diego and his father knew that they needed to be prepared in case there was an emergency. They were going to be biking far away from a hospital, so they had to be as safe as possible.</p><p>Together, they packed their First Aid kit with bandages and antiseptic spray.</p><p>On the first day of their biking excursion, Diego and his dad worked hard. They pedaled their bikes up miles of hills until they reached their first campsite. They talked about their challenging ride as they set up their tent and praised one another for working so hard.</p><p>"Can you carefully walk down that hill to look for firewood?" asked Diego's dad.</p><p>Diego skipped off toward the hill. Somehow, Diego lost his footing and soon he was tumbling straight down the rocky hill. By the time his Dad reached him, Diego was bleeding from a huge cut on the side of his leg.</p><p>"We need to get you back up to the site, kiddo," said Diego's dad. Carefully, Diego leaned on his dad and they slowly made their way back up the steep hill. Once there, Diego's dad brought out the First Aid kit.</p><p>He used an antiseptic spray to clean the cut before he put on a bandage. Then, Diego's dad gave him an anti-inflammatory pill. "Take this," he said to Diego. "It will make you feel more comfortable."</p><p>The next morning, Diego's leg was still painful to touch. It was also a fiery red color, which was not a good sign. "It looks like you might have an infection," said Diego's dad. "Let's stop by the clinic to get you an antibiotic."</p><p>Diego and his dad took a detour to the clinic and had the doctor check on Diego's leg. Then, they were on their way for the second day of their adventure.</p></div><div><div>Sort the words you found in the text under the correct heading in the chart below.</div><table><tr><th>Words spelled with the prefix "anti-"</th><th>Words spelled with the prefix "semi-"</th></tr><tr><td>Type answer here</td><td>Type answer here</td></tr><tr><td>Type answer here</td><td>Type answer here</td></tr><tr><td>Type answer here</td><td>Type answer here</td></tr><tr><td>Type answer here</td><td>Type answer here</td></tr></table><div><p>1.
