

STATE TOURNAMENT FAN BUS PERMISSION SLIP

On Saturday, February 4th, our 7th grade Boy's Basketball team will be playing in the State tournament at El Paso-Gridley High School in El Paso, IL. There are two games Saturday. The first will be played at 2:30 pm. The second game will be played at 6:30 pm, if the team wins the first game. The district will be providing a fan bus for middle school students that would like to attend.

The bus will pick up students at AAHS at 11:30 p.m.. It will then stop at AAMS to pick up students at approximately 11:45 p.m. After the game, the bus will return to AAHS first to drop students off and then will return to AAMS.

No student will be allowed on the bus without the bottom portion of this page signed by a parent or guardian. Students may turn in their permission slip to the office by the end of school day on Friday, February 3rd. Verbal permission from a parent/guardian will not be accepted. The maximum capacity of the bus is 48 students, so the sooner you are able to turn in a slip, the better we can plan.

Students will need to bring \$5 for admission to the games. We will be staying for both games if our team wins the first round, so students will be at the venue for several hours watching games. Students will also need money for food for a meal in between games and for snacks at the games.

If there is not enough interest in the fan bus to run it, notice will be sent out as early as possible on Friday.
