Food and Drink Guidelines

In order to protect the library collection, equipment, and furnishings and keep your library clean and inviting, the Edmonds College Library developed the following food and drink guidelines.

You are welcome to eat and drink in the library.

We ask that you:

- Use spill-proof beverage containers and refrain from eating in all computer areas.
- Report spills promptly to library staff.
- Put trash and recyclables in their appropriate receptacles.
- Respect your fellow students by limiting noisy, messy, and aromatic foods.
- Clean up leftover food, wrappers, and containers so the space is clean for the next user.
