This budget shows an estimate about how much approximately we would spend on each aspect of the trip. The exchange rate varies, so probably all prices shown here will be modified.

Most likely, the total cost of travel will be less, because Argentina has become cheaper every day for tourists in recent years.

- Hotel : 30 dollars sharing room =. 306 SEK right now. Includes a good breakfast buffet
 Total hotel with breakfast buffet 14 days = 4284 SEK
- 2. **Public transport:** We will get around by public transport, the ticket costs between 25 and 30 Argentine pesos = approx. 2 SEK / trip, Expect 8 trips / day = SEK 16 / day

Transport for daily sightseeing = approx. 224 SEK during the entire trip

- 3. Taxi: To get back to the hotel from milongas late in the evening, shared by 3 or 4 people.
 Start fee 10 SEK + 5.5 SEK/km. We live very centrally, 5 / 10 krm distance from hotel to all milongas = 37.5 / 65 SEK. 3 people sharing a trip of 10 km = 22 SEK per person / per day
 - Shared TAXI from the milonga every evening = 308 SEK during entire the trip
- 4. **Meals**: from SEK 50 at a cheap restaurant to SEK 150 (three-course menu at a good restaurant) 2 meals a day, average price 100 SEK / meal = 200 SEK / day
 - Average meal costs = SEK 2800 during the entire trip
- 5. <u>Milonga entrance fee</u>: 600 and 800 Argentine pesos (46 SEK / 61 SEK) depending on milonga/show/ live music.Considering all "expensive" milongas 61 X 14 days = 854 SEK
 - 14 days milonga entrance fee = 854 SEK during the entire trip
- 6. **Drinks at the milonga:** mineral water / coffee : 300 Argentine pesos = 20 SEK. Water is not free in restaurants and milongas. You usually buy bottled water
 - 2 bottles/ milonga (14 milongas, 28 bottles) = 560 SEK during the entire trip
- 7. **Workshops fee** varies according to teacher/workshop. Right now we have confirmed 2 workshops that are paid in cash in dollars to teachers:
 - --Corina de la Rosa Vals Workshop + Gyrotonics:= 30 dollars
 - --TAngo salon workshop with Andres Cejas = 20 dollars

Two more workshops are planned, we are still adjusting prices/ day/time with teachers

Already confirmed 2 workshops + one class = 50 dollars = approx 500 SEK (We calculate a total of 1000 SEK with all 4 workshops and one class)

8. The flight costs between 11 000 and 20 000 SEK

Flight ticket average = 16 000 SEK
