

# Rules Committee Chair Report for 2018 State Convention

Submitted by Beverly Schumacher

Since the National Rules were undergoing major changes at the International Convention summer of 2018 President Pat told Beverly not to pursue getting chapters to update their rules before convention.

Chapters will be expected to bring their rules up to date with the International Rules by the next convention – 2019.

State Rules will also need to be updated to align with the International Rules by 2019 as well.

A committee will need to be assigned to work with chair, Beverly Schumacher on this in the coming year.

The following chapters submitted updated rules since the last bi-enium:

KAPPA – OCT. 2017

BETA – FEB. 2017

OMEGA – FEB. 2017

OMICRON – FEB. 2017
