RE: Region 5 Summit

High School Division Executive Committee,

The Region 5 Summit will take place on Friday-Sunday, August 26-28. We will meet at the Parking Garage, Second Level in Carmel where we have our meetings. The address is 4 Carter Green Suite, Carmel, IN 46032. This is an easy area for us to get in and out without having to meet in town. We will meet there at **2:30pm ET**. Please don't be late. We have a session from 7-9 CT Friday night. We will stop for dinner on the way. Here are some details of the trip.

- We will be staying at the Fairfield Inn in Collinsville. Click [HERE](#) for the hotel description. We will check-in after the Friday session.
- You will be rooming together. Pack appropriately and try to conserve space. Your rooms may get full pretty quick if you pack too much stuff. Please wear IASC apparel. You will get a Summit t-shirt for Saturday.
- We will be delivering a workshop on Saturday. We will meet Friday night to go over what workshop/energizer we will be doing.
- We will visit Busch Stadium for a tour and see the game between the Atlanta Braves and the St. Louis Cardinals. (Cards are ranked #1 in the NL Central and the Braves are #2 in the NL East) We have field seats off of third base.
- Pack clothes to be active in, clothes for the baseball game outside, and clothes to be inside. We will be doing most of our work at Collinsville High School.
- We will be having lunch on Saturday at a restaurant in Collinsville on Saturday. You are responsible for the payment of this meal.
- We will return on Sunday around checkout time and drive back to the Parking Garage in Carmel.

The IASC can not cover the entire cost of the Summit. However, we want to keep your cost low. The IASC will cover the cost of the lodging and transportation. You will need to cover meals (breakfast is included at the hotel.) Meals will vary in cost. Our lunch on Saturday isn't an expensive place. You will be responsible for **\$50** towards the cost of the Summit. You can pay cash, check, Venmo or CashApp. I wish that we could pay for everything, but it just isn't possible.

Looking forward to a great experience!

Inspiration and **A**ction today, **S**ervice and **C**haracter forever.
