

## ***Letter to potential interns***

---

Dear subscriber,

The internship program offered through FBN might be one of the greatest opportunities that you will ever experience in life. You made sure you did not miss out, by subscribing to our internship program. On behalf of the Internship Team, we therefore congratulate you.

SO, why not take it to the next level, by actually daring to apply to one of our fantastic internships offered through FBN? We are proud to be introducing a brand-new website, which makes the process of applying as an intern or host more comfortable and easier for you. Check it out at <https://fbninternship.com>.

If you are in need of more convincing.

What part of the world do you desire the most? Our current offers can take you almost anywhere, from Asia to Middle east to America to Europe.

What job experience would add value to your current situation, and look great on your resume? How does it sound to work in Gulf Bank, one of the largest leading banks in Kuwait, or Mezzan Holding CO, one of the leading food and beverage and FMCG conglomerates in the Middle East, or maybe working as a Summer Camp Counselor with DEC Group, where you can expect breathtaking views and the opportunity to be part of a very creative and international young team, with the rewards of working with children?

This is just a small bundle of what you can find on our new platform, containing 33 offers to date!

Most importantly; do you realize the immense benefit of working within another family-company? Building long-lasting relationships with other family-business owning families across borders. Get new work experience from a company in a similar situation to yours. Experience the dynamics between other family members within their company, and see how they work together. Broadening your network of friends around the world. *Working close up with another family-business facilitates special encounters, highly relevant for any family-business member.* It is a privilege and a unique chance to work in another family business, made possible for our members through our internship program.

Attached to this email you will find a power point on how the platform works, and a brochure with additional information. We challenge you to seize the opportunity and start planning your new adventure with FBN. Apply for an internship on <https://fbninternship.com>, or miss out on an opportunity of a lifetime.

All the best,

FBN Internship Team
