Commitment Paper/Parent Contract

We are not a club that tries to play in as many tournaments as possible. We greatly believe in and put a high priority on practice/training time. It is very important to us that your son attends practices. In many ways the practices are equally as important as the games. They are learning skills necessary and concepts they will need to execute in the game!

Player Responsibilities

1. All players will treat officials and opponents with respect.
2. All players, regardless of ability and/or playing time are equal members of the team. Each and every player will treat all teammates with encouragement and respect.
