

Privacy Policy

2024-07-20

This privacy policy is provided by Anselme Badour. Anselme Badour will also retain Usage Data for internal analysis purposes. Usage Data Hidden Cameras Detector App is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of our Service, or we are legally obligated to retain this data for longer time periods.

Collection and Use of Personal Information

We don't collect personal information including faces or any other personal information. It is only used to realize the function of the App itself. Unless the Law forces us, we will not share any personal information with any unaffiliated third party for any purpose...ever. We will not send promotional emails or special offers, we will not contact you for market research, and we will not provide your information to third parties for marketing or promotional purposes. In addition, we will never sell your personal information to any unaffiliated third party...ever.

HOW WE PROTECT YOUR INFORMATION

We recognize the importance of protecting the details of users of the Application and adopts measures that are intended to protect and safeguard the information that are collected from loss or unauthorized access. However, please note that no data security measures can guarantee 100% security at all times. Our systems and the communications networks through which you access our services may be subject to security breaches and failures which are due to circumstances beyond our reasonable control.

A Word about Analytics Services

While using the software and services, certain third parties may enable you to provide content to them, in the form of gadgets, buttons, websites, advertising links etc. We consider it as third-party contents and services, which are subject to their privacy policies. We would not review and guarantee such third-party contents and services. Before you using or accessing such third-party contents and services, we recommend that you read the terms or conditions of their privacy policies. You shall be aware of using them and expressly relieve us from any and all liability arising from your use of such Third Party Content and Services.

Cookies

The analytics programs mentioned above use cookies in order to perform their services. Cookies are small amounts of data stored on your computer when you browse the Internet, which allow your web browser to remember you the next time you visit a given website. This helps your web browser deliver you a more tailored experience. For example, cookies allow a website to remember your login information, your search history, your user preferences on a given website, etc.

It is important to note that cookies are not linked to personal information; no personally identifiable information is accessible from our Site. However, you may still opt to set your web browser to refuse cookies, or to alert you when cookies are being sent if you so choose.
