

Numerology Method (Using Date of Birth) ✓

1. Take your birth date (the day you were born).
 - Example: If you were born on 22nd → $2 + 2 = 4$
 - That number (1–9) is your “Birth Number” in numerology.
2. Interpretations (very broadly):
 - 1, 5, 7 → More inclined towards love marriage (independent, freedom-loving, follow their heart).
 - 2, 4, 6, 8 → More inclined towards arranged marriage (family-oriented, respect traditions).
 - 3, 9 → Could go either way, depending on circumstances (flexible, adaptable).

👉 Example for 22-07-2006:

- Birth Number: $22 \rightarrow 2 + 2 = 4 \rightarrow$ Arranged marriage tendency.
- Life Path Number: $2 + 2 + 0 + 7 + 2 + 0 + 0 + 6 = 19 \rightarrow 1 \rightarrow$ Independent nature, love marriage tendency.
- Final Reading: Combination shows arranged marriage with personal choice or family-approved love marriage.

Example 2: date of birth *12/06/2001*

step-by-step 👉

Step 1: Birth Number

Take only the *day* of birth → 12

➡ $1 + 2 = 3$ *

✓ *Birth Number = 3*

Interpretation:

3 → *Could go either way* (love or arranged) — flexible, adaptable, open-minded.
People with 3 are creative, optimistic, and can adjust based on circumstances.

Step 2: Life Path Number

Now add all digits in your date of birth:

$1 + 2 + 0 + 6 + 2 + 0 + 0 + 1 = 12$ *

➡ $1 + 2 = 3$ *

✓ *Life Path Number = 3*

Interpretation:

3 → Again, flexible — can go *either love or arranged*, depending on timing, family, and emotional connection.
