

O' Canada!-

Time to learn more about the Provinces and Territories.

You and a partner or two will be assigned a Province/Territory. There are 13 all together. You will need to gather all the following information about your assigned region. Then you will create either an edu.buncee or a prezzi about the region. All information needs to be presented in picture and word form. Be creative. Make us remember your Province/Territory. Have Fun learning about our Neighbor to the North!

Province/Territory?_____

1. Where is your P/T located in Canada? What is to the NSEW of it?
2. What is the capital?
3. What is the population of the P/T? Compare this to population of Michigan.
4. What is the total area of your P/T? Compare it to a state in the US.
5. Name two other Major Cities and share a population comparison that we will understand.
6. What does the P/T flag look like and what does it symbolize?
7. Name two famous people from your P/T that we might know. Share why this person is famous.
8. Name two natural resources that are useful to humans that are harvested in this P/T.
9. Name two important industries in this P/T.
10. If you were to visit this P/T, what are 3 attractions that you must visit and why? Describe these attraction in words and pictures.
11. List 5 fun or interesting facts about your P/T.
12. Create a 5 question Quiz at the end of your Presentation for your classmates.
13. Create a slide with a bibliography of the resources that you used. You must have a minimum of 3 resources. Google Images is not a resource.

Work together! Have fun! Do not copy and paste! Put things in your own words.
Do not read the slides when you present. Practice ad-libbing so that we know that you know what you are talking about and we will find it more interesting.

This will be a summative project of Canada.
