

How to Log Into Newspapers with researchIT CT

The Connecticut State Library funds the cost of newspapers for all Connecticut schools. Students and staff can use the steps below to search specific newspapers for information. Please note that the newspaper articles are provided via a database search and will look different than viewing the newspapers on the actual website of the newspaper.

1. Go to [researchIT CT](#).
2. On the left sidebar, click Newspapers.
3. Choose the newspaper you want from the list that is offered. (Example: New York Times 1985 - present provided by ProQuest.)
4. You can either search for information using Basic Search or if you want specific articles from certain dates, click Publications.
5. Choose the publication you want to search. (Example: New York Times Late Edition East Coast.)
6. Use the filters to sort for the publication issue you want to use.
