7th	- Students work on self-assessment/reflection at school. - All 7th grade students will share their self-assessment at home with families the week of February 26 - Keller/Weekley and Stokes/Maddox team will have a parent signature form returned to teacher after student-parent reflection is complete - Taylor/Ruzicka's self assessment and parent piece will be electronic / email	Communication by 7th grade teams to families through Alma messenger if a conference is recommended
8th	- Students work on self-assessment/reflection at school. - All 8th grade students will share their self-assessment at home with families the week of March 4th - All teams will have a parent signature form returned to teacher after student-parent reflection is complete	Communication by 8th grade teams to families through Alma messenger if a conference is recommended
World Language	Students work on self-assessment/reflection at school, which can be shared at home	Communication by WL teacher to families through Alma messenger if a conference is recommended
Encore / Band / Choir	The Trimester 3 rosters are uploaded for parent-teacher conferences. If you would like a conference with a trimester 2 teacher, please contact the front office and we will work to get you scheduled.	Trimester 3 begins on Monday, March 4, so students have only been in the class for three days prior to conferences (unless it is band/choir). Please feel free to schedule a conference to meet the teacher and learn about the content area.
