

Choose one of the following topics and prepare a 5-minute presentation about it. You can sign up with a partner of your choosing (do not sign someone else up for a topic without talking with them first).

You can choose what type of presentation you want to do - such as a standard presentation, or you can bake something, do a dance, paint something, make a model of something - really whatever you want as long as you teach about the topic! You will be cut off at 5-minutes, though!
