EXTRAORDINARY WOMEN IN TECH

I hereby grant permission to Extraordinary Women in Tech (“EWIT”), its affiliates, representatives, successors, licensees, sponsors, media partners, and assigns (collectively, the “Company”) to photograph, record, livestream, film, and otherwise capture my name, image, likeness, voice, appearance, statements, presentation materials, and participation (collectively, the “Content”) in connection with any EWIT event, interview, panel, summit, conference, webinar, podcast, or related activity in which I participate as a speaker, panelist, interviewee, attendee, mentor, or guest.

I understand and agree that the Content may be used, reproduced, edited, published, distributed, displayed, transmitted, sublicensed, and otherwise exploited by the Company worldwide, in perpetuity, and in any media format now known or later developed, including but not limited to websites, social media platforms (including LinkedIn, Instagram, Facebook, YouTube, and TikTok), podcasts, livestreams, marketing and promotional materials, press releases, educational materials, sponsorship materials, advertisements, and event recaps.

I authorize the Company to use information related to my professional background, experience, employer, industry expertise, current role, and related topics in connection with the Content.

I hereby irrevocably grant to the Company the worldwide right to use, reproduce, publish, distribute, and display the Content in connection with the production, promotion, advertising, and distribution of EWIT and its events. I waive any right to inspect or approve the final use of the Content and release the Company from any claims arising from such use.

This Authorization applies to all Extraordinary Women in Tech (“EWIT”) events and related activities attended by me unless revoked by me in writing for future use.
