Opening Items

1:30 Call to Order, Member Sign-in, and Land Acknowledgment statement

1:33 Announcements and Public Comment

- Welcome to the final meeting before spring break and a 3-week break from our meetings. The next meeting will be on 4/15 in SSC 2122.
- Please take a look at upcoming Women's History Month events at CCSF!
- In honor of spring solstice, a major update of the semester-year dropdown in CurrIQunet. This should result in fewer mistakes and glitches since the season (Spring, Fall) will not be listed apart from the year. They are joined on one line. Another form of Oneness!

- No need to deactivate DEA since we are phasing into Oneness. Thank you to those of you who have created deactivation proposals anyway. Those proposals will eventually fizzle away.
- New DEA proposal requests will be handled through the distance ed tab in course outline proposals once that tab's unique powers are fully functional.
- DEA modifications will just be part of course outline submissions, but new requests for FO and/or PO will still require distinct DEA Subcommittee review. Thus, the DE Coordinator will be part of the course outline workflow to help avoid rogue FO or PO submissions.
- Anything launched now should have a Fall 2027 effective semester. Remember to assess first!
- Please keep the Title 5 IDEAA guidelines in mind when thinking about your outlines and your students.
    - Inclusion, diversity, equity, anti-racism, accessibility
    - UDL and multiple methods of representation, expression, and engagement
- **Remember the 4/24 deadline!** Deans and chairs have been notified about courses that are nearing the end of or have exceeded their 6-year shelf **OR** have not been offered in the last 6 years. Again, modifications of old or about-to-expire outlines will need to be launched by **4/24/26** with a Fall '27 effective semester**.**
    - The Curriculum Committee's Resolution Regarding Ensuring the Currency and Accuracy of the College Catalog and its amendment on Updated Criteria for the Deactivation of Courses (New and Long-Standing) That Haven't Been Offered in 6 Years.
- Cost and lodging information is now available for the 2026 Curriculum Institute. The July 15-18 event will be in downtown Sacramento.
- Do we need ASCCC to add a discipline for min quals? There's a September deadline.
- Let your students know about CCSF's Latino Educational Association!
- Following today's meeting will be the season opener for the SF Giants (vs. the NY Yankees). Thank you, MLB, for delaying the first pitch till after CC adjournment.
- Who will be this week's MapQuest Member of the Meeting?
