

Grip of the Wilderness

This episode of *The Office* is a funny take on one of the major themes from *Into the Wild*: “**the grip wilderness has on the American imagination**”.

On a piece of paper to turn in, please write your thoughts on these questions:

- How would you explain the way Americans think about the wilderness & what draws us to it?
- What are the emotional and spiritual benefits of a wilderness adventure? What do you think people are looking for out there?
