

MY HAIR

two mirrors
one comb
alone in my room
rap and r&b playing
braiding hair
scissors
edge control and jam
hours to spare

Let the challenge begin !

parting
braiding
slicking my kinky curly hair
cutting
stressing
breaks

of course

and after 13 hours of work
i'm done

looking in the mirror
i see my reflection
it's beautiful
im beautiful
i feel accomplished
i did it
